1. Introduction

UEFA EURO 2016™ will be held in France from 10 June to 10 July, 2016. In total 51 matches will be played in 10 venues. UEFA, together with its French-based subsidiary “EURO 2016 SAS”, wishes to select a company responsible for the waste management services for the venues perimeter areas managed by UEFA (excluding inside the venues). For such purposes, UEFA intends to organise a tendering process (“Tender”).

All references to UEFA shall be deemed to include EURO 2016 SAS and vice versa.

2. The Selection Process

The process for the selection of a company(ies) responsible for the waste management services for the venues perimeter areas managed by UEFA (excluding inside the venues) for UEFA EURO 2016™, as currently planned, is divided into two-phases:

- ✱ Phase 2 – The Tender: the tender for the selected candidate(s) and/or any other entities invited by UEFA, during which UEFA will evaluate proposals and subsequently select and appoint a qualified company to provide the required services for UEFA EURO 2016™.

The services shall be provided in the 10 host cities of UEFA EURO 2016™. Consequently, the services are divided into several lots, as follows:
