<i>Group</i>	<i>Winners</i>	<i>Five best runners-up</i>

8	Sweden	France
9	Switzerland	Poland
10	Wales	Russia

Coefficient Ranking List

In order to divide the 16 teams into **4 pots**, the following principles have been applied.

The 16 qualified teams have been ranked, taking into account **ONLY** the results of the first qualifying round, i.e. win = 3 points, draw = 1 point, defeat = 0 points (see enclosed coefficient ranking list).

Distribution of the Teams

The 16 teams have been split into four pots as follows:

Pot A	• Teams ranked in positions 1 – 4	4 purple balls
Pot B	• Teams ranked in positions 5 – 8	4 blue balls
Pot C	• Teams ranked in positions 9 – 12	4 yellow balls
Pot D	• Teams ranked in positions 13 – 16	4 red balls

Draw Procedure

The 16 associations will be drawn into 4 groups of 4 teams according to the following procedure:

1st Draw phase

- The teams in **pot A** will be drawn one after the other into **first** position in Groups 1 to 4 (in numerical order).

2nd Draw phase

- The teams in **pot B** will be drawn one after the other into **second** position in Groups 1 to 4 (in numerical order).

3rd Draw phase

- The teams in **pot C** will be drawn one after the other into **third** position in one of the 4 groups.
- The teams will be allocated to a group in such a way as to ensure that no team will meet another team which it has already played in the first qualifying round. Consequently, the following procedure will be applied:
 - First, one team from **pot C** will be drawn
 - The groups into which it could be placed will then be identified and the relevant number of green balls (group numbers) put into a draw bowl. The team will be allocated to the group drawn out of the bowl.
 - The next team from **pot C** will then be drawn
 - The same procedure as above will then be applied.
 - And so on for the remaining 2 teams in this pot.

4th Draw phase

- The teams in **pot D** will be drawn one after the other into **fourth** position in one of the 4 groups according to the same procedure as described for the 3rd draw phase above.

Date and Host

Matches in the second qualifying round must be played by mid-April 2011.

The four teams in each group must decide on the host and dates immediately after the draw. For this purpose, a meeting area will be made available where the four teams can meet and discuss this matter.

Qualification for the Final Round

The four group winners will qualify for the final round, which will take place in Nyon from 28 to 31 July 2011.
