Media accreditation for European/South American Cup

November deadline for FC Porto v CD Once Caldas in Yokohama on 12 December

On Sunday 12 December 2004, with kick-off scheduled for 19:05 local time, the annual Toyota European / South American Cup fixture will be played at the International Stadium in Yokohama, Japan. The match will be handled by Uruguayan referee Jorge Larrionda.

This year's intercontinental encounter pits the UEFA Champions League winners, FC Porto, against the winners of the Copa Libertadores, CD Once Caldas. It is the second appearance for the Portuguese club in this competition – they defeated Peñarol of Montevideo 2-1 after extra-time to take the title in 1987 – while it is the first time that their Colombian opponents have represented South America in this fixture.

Written Press reporters and photographers who wish to cover the game in Yokohama are requested to complete the attached Accreditation Request form and return it by Monday 22 November directly to Japan on fax: +81-3-5467 3483, paying special attention to the note about orders for telephone or ISDN lines in the stadium.

As you will see from the Accreditation Request form, the deadline is given as Monday 22 November. However, bearing in mind that many reporters – including those who regularly accompany FC Porto – will be on the road for UEFA Champions League matches at that time, the Japanese organisers have kindly agreed to allow UEFA's Media Services to forward accreditation requests to them up till Thursday 25 November. Please note that between Monday 22 and the extended deadline of Thursday 25 November, they will only accept requests forwarded to them from UEFA's headquarters in Nyon – **not** from individual applicants.
