Competition information

UEFA's most prestigious club competition was originally created as the European Champion Clubs' Cup for the 1955/56 season, before its revamping as the UEFA Champions League in 1992.

• **Away goals:** If the two teams involved in a tie score the same number of goals over the two legs, the team which scores more away goals qualifies for the next stage. If this does not produce a result, extra time of two periods of 15 minutes shall be played at the end of the second leg. If, during extra time, both teams score the same number of goals, away goals count double. If no goals are scored during extra time, kicks from the penalty mark determine which club qualifies for the next stage.

The eight winners of the round of 16 ties go into the quarter-finals, the draw for which will be made in Nyon on 16 March with the semi-final and final draws also taking place at the same time. The quarter-finals will be played on 27/28 March and 3/4 April with the semi-finals on 17/18 and 24/25 April. The 2011/12 UEFA Champions League final will be played at Fußball Arena München, Munich on 19 May.

• **Disciplinary information:** As a rule, a player who is sent off is suspended for the next match in UEFA club competition. The Control and Disciplinary Body is entitled to augment this punishment. In the case of repeated cautions, a player is suspended for one match after three cautions in three different matches, as well as following any subsequent odd-numbered caution (fifth, seventh, ninth, etc.). Single yellow cards and pending suspensions are always carried forward either to the next stage of the competition or to another club competition in the current season.

• **Locally-trained players rule:** In February 2005, UEFA announced the 'A' list that teams submit for UEFA club competitions will continue to be limited to 25 players, and since 2007/08, at least six places have been reserved for players trained by the club's own football academy of which half could be players trained by other clubs from within the same association of the said club. The 'B' list continues to exist – involving an unlimited number of Under-21 players who have been at the club for any uninterrupted period of two years since their 15th birthday. In 2006/07, the number of locally trained players required began at four but rose to eight in 2008/09, with up to half of each figure allowed to be association trained. A club-trained player is defined as a player who has been registered for a minimum of three seasons with the club between the age of 15 and 21, whereas an association-trained player is one who has been registered for at least three seasons by the club or by other clubs affiliated to the same association between the age of 15 and 21.

• **Player registration:** UEFA regulations state that for all UEFA Champions League matches from the start of the first knockout round, a club may register a maximum of three new eligible players within their squad of 25 for the remaining matches in the current competition. One player from the above quota of three who has played UEFA club competition matches for another competing club in the current season may exceptionally be registered, provided that the player has not been fielded by another club in the UEFA Champions League this season.

Competition records

Competition records

UEFA Champions League knockout stage: Did you know?

- Teams have recovered from a first-leg deficit to go through on 24 occasions although only twice – AFC Ajax's defeat of Panathinaikos FC in the 1995/96 semi-finals and FC Internazionale Milano's win against FC Bayern München in the 2010/11 round of 16 – has a side progressed after a home first-leg loss. The biggest losing margin a side has overturned was achieved by RC Deportivo La Coruña in the 2003/04 quarter-finals when they lost 4-1 at AC Milan but won 4-0 at home.
- Twenty ties have been decided on the away goals rule, including six where the triumphant team lost the first leg.
- FC Bayern München hold the record for the biggest first-leg lead with a 5-0 success at Sporting Clube de Portugal in the 2008/09 first knockout round, eventually going through 12-1 after a 7-1 home victory in the second leg. Those two games also featured more goals (13) over its two legs than any previous UEFA Champions League knockout tie.
- Ten ties have gone to penalties, including the game between Arsenal FC and AS Roma in the 2008/09 round of 16. Five of these were finals – 1996, 2001, 2003, 2005 and 2008. The first two-legged tie decided on spot-kicks was PSV Eindhoven's 4-2 win against Olympique Lyonnais on 13 April 2005 after a 2-2 aggregate draw.
- In all, 17 ties have required extra time. So far seven have been decided by extra time alone: four quarter-finals, two first knockout round encounters and the 2007/08 semi-final between Chelsea FC and Liverpool FC.
- There has never been a knockout tie ending goalless after two legs. Ten have finished 1-0 on aggregate, most recently Tottenham Hotspur FC's narrow victory against AC Milan in the 2010/11 round of 16.
- Clarence Seedorf is the only player to win the European Cup with three clubs (AFC Ajax 1995, Real Madrid CF 1998, AC Milan 2003, 2007). Liverpool's Bob Paisley (1977, 1978, 1981) is the only coach to win three times.
- Ottmar Hitzfeld (Borussia Dortmund 1997, Bayern 2001), Ernst Happel (Feyenoord 1970, Hamburger SV 1983) and José Mourinho (FC Porto 2004, FC Internazionale Milano 2010) are the only coaches to win the trophy with two clubs.
- No team has successfully defended the UEFA Champions League trophy with AC Milan (1989, 1990) the last club to win consecutive European Champion Clubs' Cups. Milan (1994, 1995), AFC Ajax (1995, 1996), Juventus (1996, 1997) and Manchester United (2008, 2009) have all returned to the final as holders only to lose.
- Only two teams have ever won the UEFA Champions League on home soil: Borussia Dortmund (1997, final in Munich) and Juventus (1996, final in Rome), while Manchester United FC lost the 2011 final in London. Five teams won Champion Clubs' Cup finals on home soil: Real Madrid CF (1957), FC Internazionale Milano (1965), Manchester United FC (1968), AFC Ajax (1972) and Liverpool FC (1978), while Stade de Reims Champagne (1956), AS Roma (1984) and FC Barcelona (1986) all lost finals in their own country.

- S.S. Lazio goalkeeper Marco Ballotta is the oldest player to compete in the UEFA Champions League having been aged 43 years 252 days when he featured against Real Madrid CF on Matchday 6 of the 2007/08 edition.
- Ryan Giggs is the oldest player to score in the competition, aged 37 years and 148 days, in Manchester United's 2-0 win at FC Schalke 04 on 26 April 2011.
