Decision of the Chief Investigator of the CFCB Investigatory Chamber: Settlement Agreement with Closed Joint-Stock Company Football Club Zenit

Following an investigation under the UEFA Club Licensing and Financial Fair Play Regulations ("CLFFPR") a settlement agreement was concluded between the UEFA Club Financial Control Body ("CFCB") Chief Investigator and Closed Joint-Stock Company Football Club Zenit ("Zenit") on the basis of Article 14 (1)(b) and Article 15 of the Procedural Rules governing the CFCB.

The settlement was concluded on 8 May 2014 and covers the three sporting seasons 2014/15, 2015/16 and 2016/17. For the duration of the settlement, Zenit will be subject to on-going restrictions which have been agreed by the club and which are described further below.

A central purpose of the settlement is to ensure that Zenit becomes break-even compliant within the meaning of the CLFFPR in a short space of time.

- In this regard, Zenit undertakes to report a maximum break-even deficit of EUR 30 Mio. for the financial year ending in 2015 and no break-even deficit for the financial year ending in 2016.

- Zenit accepts that employee benefit expenses cannot be increased during the next two financial reporting periods (2015 & 2016).

- Zenit accepts that for the duration of the settlement it will be subject to a limitation on the number of players that it may include on the “A” list for the purposes of participation in UEFA competitions. Specifically, for season 2014/15 Zenit may only register a maximum of 22 players on the “A” list, instead of the potential maximum of 25 as foreseen in the relevant competition regulations. If Zenit manages to comply with the break-even target the club shall gradually be released from the restriction as regards the registration of players in UEFA club competitions.

- Zenit accepts a calculated limitation on the number of new registrations it may include within their "A" List for the purposes of participation in UEFA competitions. This calculation is based on the clubs net transfer position in each respective registration period covered by this agreement.
Zenit agrees to pay a total amount of EUR 12 Mio. which will be withheld from any revenues it earns from participating in UEFA competitions commencing in season 2013/14. Of this EUR 12 Mio. an amount of EUR 6 Mio. will be withheld conditionally and will be returned to Zenit if the club fulfills the operational and financial measures agreed with the UEFA CFCB.

The compliance with the Settlement Agreement will be subject to on-going and in depth monitoring, in accordance with the applicable rules. In this connection, Zenit also undertakes to provide the CFCB with a Progress Report evidencing its compliance with all relevant conditions agreed on a six monthly basis.

In case Zenit fails to comply with any of the terms of this Agreement, the UEFA CFCB Chief Investigator shall refer the case to the adjudicatory Chamber, as foreseen in Art. 15 (4) of the Procedural Rules.
