

Media rights sales:

2018-21 UEFA Champions League™/UEFA Super Cup™

Last Update: 26th February 2018

In accordance with the principles established by the European Commission, the UEFA Champions League (seasons 2018/19, 2019/20 and 2020/21) and UEFA Super Cup (2018, 2019 and 2020) media content rights sales process will be conducted on a market-by-market basis. Such process will involve an 'Invitation to Submit Offer' (ISO) inviting all qualified media content distributors to submit offers for various media content rights.

Media content rights will be offered on a platform neutral basis. Such an approach will mean that successful bidders can exploit rights across all media platforms including television, internet and mobile on a linear and on-demand basis. This platform neutral approach is aimed at ensuring maximum exposure while providing partners with programming flexibility in parallel.

The sales process will be administered on behalf of UEFA by TEAM Marketing, UEFA's exclusive marketing agency for the exploitation of certain media and commercial rights relating to its club competitions. The sales process will be staggered with different start and end dates per market. All enquiries in respect of the acquisition of such rights should, therefore, be directed to TEAM Marketing at the following e-mail address: info@team.ch.
