

Media rights sales: UEFA EURO 2020™

Last Update: 21.11.2017

Update: The media content rights sales process for UEFA EURO 2020™ is currently on-going. The sales process will be conducted on a market-by-market basis with such media rights being offered on a platform neutral basis.

The sales process will be effected initially by means of an Invitation to Tender ("ITT") process under which qualified media content distributors will be invited to submit offers before the submission deadline (as indicated in the schedule below) for the media rights in their respective territory. Schedule A below lists the status of the sales process in the relevant territories. Schedule B lists the relevant territories for which media rights agreements have been signed (including details of the respective partner).

The sales process will be administered on behalf of UEFA by CAA Eleven Sàrl. All enquiries in respect of the acquisition of the media rights to the UEFA EURO 2020™ should therefore be directed to CAA Eleven Sàrl at the following e-mail address: info@caa11.com.

Further communications and updates shall be provided as and when UEFA commences the media rights sales process in respect of any other territory or territories.
