Coefficient Ranking List

A coefficient ranking list has been established taking into account **ONLY** the results of the qualifying round i.e. win = 3 points, draw = 1 point, defeat = 0 points.

Distribution of the teams

The 28 teams have been split into four pots, as follows:

Pot A	• Teams ranked in positions 1 – 7	7 purple balls
Pot B	• Teams ranked in positions 8 – 14	7 blue balls
Pot C	• Teams ranked in positions 15 – 21	7 yellow balls
Pot D	• Teams ranked in positions 22 – 28	7 red balls

Draw procedure

The 28 associations will be drawn into 7 groups of 4 teams according to the following procedure:

1st Draw phase

- The teams in **pot A** will be drawn one after the other into the **first** position in groups 1 to 7 (in numerical order).

2nd Draw phase

- The teams in **pot B** will be drawn one after the other into the **second** position in one of the 7 groups.
- The teams will be allocated to a group in such a way as to ensure that, as far as possible, no team will meet another team which it has already played in the qualifying round. Consequently,
 - If clashes arise, the team drawn is moved to the next available group, following in numerical order.
 - In case of potential clashes in the last three or four groups, the teams will be allocated to their respective groups accordingly.

3rd Draw phase

- The teams in **pot C** will be drawn one after the other into the **third** position in one of the 7 groups according to the same procedure as described under the 2nd draw phase above.

4th Draw phase

- The teams in **pot D** will be drawn one after the other into the **fourth** position in one of the 7 groups according to the same procedure as described under the 2nd draw phase above.

Hosts and dates

The four teams in each group must decide on the host and dates immediately after the draw. For this purpose, a meeting area will be made available where the four teams can meet and discuss this matter.

Special case

Based on previous decisions of the UEFA Executive Committee, Russia and Georgia cannot play each other in their respective countries. Consequently, if Russia and Georgia are drawn into the same group, neither will host the mini-tournament.
