Coefficient Ranking List  
In order to divide the 24 teams into 4 pots, the following principles have been applied.  
The 24 qualified teams have been ranked, taking into account the results of the first qualifying round, i.e. win = 3 points, draw = 1 point, defeat = 0 points (see enclosed coefficient ranking list).
Distribution of the Teams
The 24 teams have been split into 4 pots as follows:

Draw Procedure
The 24 associations will be drawn into 6 groups of 4 teams according to the following procedure:

1st Draw phase

- The teams in **pot D** will be drawn one after the other into **fourth** position in Groups 1 to 6 (in numerical order).

2nd Draw phase

- The teams in **pot C** will be drawn one after the other into **third** position in one of the 6 groups.

- The teams will be allocated to a group in such a way as to ensure that no team will meet another team which it has already played in the first qualifying round. Consequently,
  - If clashes arise with a group participant, the team drawn is moved to the next available group, following in numerical order.
  - In case of potential clashes in the last two or three groups, there will be no draw and the teams will be allocated to their respective groups accordingly.

3rd Draw phase

- The teams in **pot B** will be drawn one after the other into **second** position in one of the 6 groups.

- The teams will be allocated to a group in such a way as to ensure that no team will meet another team which it has already played in the first qualifying round. Consequently,
  - If clashes arise with a group participant, the team drawn is moved to the next available group, following in numerical order.
  - In case of potential clashes in the last two groups, there will be no draw and the teams will be allocated to their respective groups accordingly.

4th Draw phase

- The teams in **pot A** will be drawn one after the other into **first** position in one of the 6 groups.

- The teams will be allocated to a group in such a way as to ensure that no team will meet another team which it has already played in the first qualifying round. Consequently,
• If clashes arise with a group participant, the team drawn is moved to the next available group, following in numerical order.

• In case of potential clashes in the last two groups, there will be no draw and the teams will be allocated to their respective groups accordingly.

**Dates and Host**
The second qualifying round will take place from 4 to 9 April 2013.

The four teams in each group must decide on the host immediately after the draw. For this purpose, a meeting area will be made available where the four teams can meet and discuss this matter.

**Qualification for the Final Round**
The six group winners and the best runner-up will qualify for the final round, which will take place in Wales from 19 to 31 August 2013.

To determine the best runner-up from the second qualifying round, only the results against the winners and the third-placed team in each group will be taken into account and the following criteria will apply in the order given:

a) higher number of points obtained in these matches;

b) superior goal difference from these matches;

c) higher number of goals scored in these matches;

d) fair play conduct of the teams in all group matches in the second qualifying round;

e) drawing of lots.
