2013/14 UEFA European Under-17 and Under-19 Championships Qualifying round draws

DRAW PROCEDURE

Qualifying rounds

13th UEFA European Under-17 and Under-19 Championships, 2013/14

Please find below details of the coefficient calculation and draw procedure.

COMPETITION SYSTEM

Fifty-four member associations will take part in each competition. Fifty-two teams will enter the competitions in the qualifying round and one (Germany at Under-17 level and Spain at Under-19 level) will join in the elite round. The final round host associations qualify automatically for the final round:

UNDER-17 = MALTA, UNDER-19 = HUNGARY

COEFFICIENT RANKING LIST

A coefficient ranking list has been established for the 2013/14 qualifying round draws according to the following principles.

- Seasons taken into account: 2009/10, 2010/11 and 2011/12.
 - All qualifying round matches (qualifying and elite rounds) have been taken into consideration to calculate the coefficients.
- Win = 3 points; draw = 1 point; defeat = 0 points.
- For the associations that hosted a final round in any of the three aforementioned seasons, the coefficient of the 2008/09 season has also been taken into account.
 - 2009/10: Under-17 = Liechtenstein, Under-19 = France
 - 2010/11: Under-17 = Serbia, Under-19 = Romania
 - 2011/12: Under-17 = Slovenia, Under-19 = Estonia
- The following bonus points have been awarded:
 - automatic qualification for the elite round = 3 points
 - qualification from the qualifying round to the elite round = 3 points
 - qualification from the elite round to the final round = 3 points
 - competition winner = 3 points
 - 2009/10: Under-17 = England, Under-19 = France
 - 2010/11: Under-17 = the Netherlands, Under-19 = Spain
 - 2011/12: Under-17 = the Netherlands, Under-19 = Spain
 - competition runners-up = 2 points
 - 2009/10: Under-17 = Spain, Under-19 = Spain
 - 2010/11: Under-17 = Germany, Under-19 = Czech Republic
 - 2011/12: Under-17 = Germany, Under-19 = Greece
 - competition semi-finalists = 1 point
 - 2009/10: Under-17 = France and Turkey, Under-19 = England and Croatia
 - 2010/11: Under-17 = England and Denmark, Under-19 = Serbia and the Republic of Ireland
 - 2011/12: Under-17 = Poland and Georgia, Under-19 = England and France

U17 and U19 qualifying round draws 2013/14 5 December 2012, Nyon, Switzerland

- The coefficient calculation for each season consists of adding the number of points obtained (including bonus points) and dividing the total by the number of matches.
- The three annual coefficient calculations have then been added together to produce the overall coefficient used for the ranking list.
- Associations with the same overall coefficient have been separated according to the following criteria:
 1. higher number of matches.
 2. higher coefficient from the most recent season, i.e. 2011/12.
 3. higher coefficient from the next most recent seasons, i.e. 2010/11 and 2009/10.
 4. superior goal difference from the most recent season, i.e. 2011/12.

DRAW PROCEDURE FOR THE QUALIFYING ROUND

The associations ranked in first position qualify directly for the elite round (Germany for the Under-17s and Spain for the Under-19s).

The remaining 52 associations ranked in positions 2 to 53 have been split into 2 pots, as follows:

Pot A (Under-17 = yellow balls, Under-19 = blue balls)

Associations ranked from 2 to 27 (26 teams)

Pot B (Under-17 = red balls, Under-19 = green balls)

Associations ranked from 28 to 53 (26 teams)

The 52 associations will be drawn into 13 groups of 4 teams according to the following procedure:

- Two balls will be drawn from Pot A into Group 1. The team drawn first will be put in the **first** position in the group and the team drawn second into **second** position.
- Two balls will then be drawn from Pot B into Group 1. The team drawn first will be put in the **third** position in the group and the team drawn second into **fourth** position.
- Once Group 1 is completed the same procedure will be followed to form Groups 2 to 13.

The 13 group winners and the 13 group runners-up as well as the best third-ranked team across all 13 groups will qualify for the elite round (27 teams in all).

SPECIAL CASE

Based on previous decisions of the UEFA Executive Committee, Russia and Georgia cannot play each other in their respective countries. Consequently, if Russia and Georgia are drawn into the same group, neither will host the mini-tournament. The same case applies if Armenia and Azerbaijan are drawn into the same group.

Following a decision taken by the UEFA Emergency Panel, Spain and Gibraltar cannot be drawn in the same group.

ELITE ROUND

A draw will take place to form the seven groups of four teams. The definitive draw procedure will be communicated to the associations concerned on completion of the qualifying round.

The seven group winners will qualify for the final round.
