13 December 2016, Nyon, Switzerland

**2017/18 UEFA European Under-17  
and Under-19 Championships**  
Qualifying round draws

## DRAW PROCEDURE

### Qualifying rounds

#### 17th UEFA European Under-17 and Under-19 Championships, 2017/18

Please find below details of the coefficient calculation and draw procedure.

### COMPETITION SYSTEM

Fifty-five member associations will take part in each competition. Fifty-two teams will enter the competitions in the qualifying round and two (Germany and Portugal at U17 level and Spain and Portugal at U19 level) will join in the elite round. The final tournament host associations (England at U17 level and Finland at U19 level) qualify automatically for the final tournament.

### COEFFICIENT RANKINGS

Coefficient rankings have been compiled for the 2017/18 qualifying round draws according to the following principles:

- Seasons taken into account: 2013/14, 2014/15 and 2015/16.
  - Coefficients calculated on the basis of all matches in the qualifying and elite rounds.
- Win = 3 points; draw = 1 point; defeat = 0 points.
- The following bonus points have been awarded:
  - automatic qualification for the elite round = 3 points
  - qualification from the qualifying round to the elite round = 3 points
  - qualification from the elite round to the final tournament = 3 points
- The following bonus points have also been awarded for the results obtained during the final tournaments (please note that with the new format and the introduction of quarter-finals for the U17 final tournament, the bonus point system has been adapted since the 2014/15 season):

Final tournament		2013/14	Pts	2014/15	Pts	2015/16	Pts
Winners	U17	England	3	France	4	Portugal	4
	U19	Germany	3	Spain	3	France	3
Runners-up	U17	Netherlands	2	Germany	3	Spain	3
	U19	Portugal	2	Russia	2	Italy	2
Semi-finalists	U17	Portugal, Scotland	1	Russia, Belgium	2	Netherlands, Germany	2
	U19	Austria, Serbia	1	France, Greece	1	Portugal, England	1
Quarter-finalists	U17	n/a		Croatia, Spain, Italy, England	1	Austria, Belgium, England, Sweden	1

- The coefficients for the 2012/13 qualifying rounds have been taken into account for the associations that have hosted an U17 or U19 final tournament in the previous three seasons. This includes the bonus points awarded for qualifying for the different competition phases and the bonus points shown in the table above. These associations are:
  - 2013/14: U17 = Malta, U19 = Hungary
  - 2014/15: U17 = Bulgaria, U19 = Greece
  - 2015/16: U17 = Azerbaijan, U19 = Germany
- The coefficient for each season has been calculated by taking the number of points obtained (including bonus points) and dividing the total by the number of matches.
- The three annual coefficient calculations have then been added together to produce the overall coefficient used for the rankings.
- Associations with the same overall coefficient have been separated using the following criteria in the order given:
  1. higher number of matches;
  2. higher coefficient from the most recent season, i.e. 2015/16;
  3. higher coefficient from the next two most recent seasons, i.e. 2014/15 and 2013/14;
  4. superior goal difference from the most recent season, i.e. 2015/16;
  5. superior goal difference from the next two most recent seasons, i.e. 2014/15 and 2013/14.

## DRAW PROCEDURE

The 52 associations will be split into 4 pots of 13 teams, as follows:

### **Pot A (yellow balls)**

Associations ranked 3 to 15

### **Pot B (red balls)**

Associations ranked 16 to 28

### **Pot C (green balls)**

Associations ranked 29 to 41

### **Pot D (blue balls)**

Associations ranked 42 to 54

The draw will start with Pot D and end with Pot A in order to ensure that the strongest teams are drawn last. Each pot will be emptied before the next pot is started.

### *First draw phase*

- The teams in Pot D will be drawn one after another and placed in the **fourth** position in Groups 1 to 13.

### *Second draw phase*

- The teams in Pot C will be drawn one after another and each one placed in the **third** position in one of the 13 groups.

### *Third draw phase*

- The teams in Pot B will be drawn one after another and each one placed in the **second** position in one of the 13 groups.

### *Fourth draw phase*

- The teams in Pot A will be drawn one after another and each one placed in the **first** position in one of the 13 groups.

On the basis of previous decisions taken by the UEFA Executive Committee and the UEFA Emergency Panel, the following countries cannot be drawn into the same group: Armenia and Azerbaijan, Spain and Gibraltar, Russia and Ukraine, Kosovo and Serbia, and Kosovo and Bosnia-Herzegovina.

For both competitions, the teams will be allocated to groups in numerical order. If clashes arise, the team drawn will be moved to the next available group. The draw continues by first filling the slot left vacant. If clashes arise in the last three or four groups, the teams will be allocated to groups appropriately.

**U17:** 30 teams will qualify from the qualifying round to the elite round, i.e. the 13 group winners, the 13 group runners-up and the four best third-placed teams.

**U19:** 26 teams will qualify from the qualifying round to the elite round, i.e. the 13 group winners and the 13 runners-up.

## GROUP FORMATION FOR THE ELITE ROUND

Draws will take place to form the eight groups of four teams (U17) and seven groups of four teams (U19). The definitive draw procedures will be communicated to the associations concerned on completion of the qualifying rounds.

In the U17 competition, the eight group winners and the seven best runners-up will qualify for the final tournament.

In the U19 competition, the seven group winners will qualify for the final tournament.

## MATCH DATES

For both competitions, the qualifying round matches must be played on or before Sunday 19 November 2017.

## UEFA UNDER-17 NATIONAL TEAM COEFFICIENTS

### Calculation for the 2017/18 qualifying round
