

Item IX.

Resolution on National Team Football 2018-2022

The 54 National Associations of UEFA:

1. RECOGNISE the success of the European Qualifiers central marketing for the period 2014-2018 and its benefits for the promotion of National Team Football;
2. AGREE with the new sporting concept of European Qualifiers, UEFA Nations League and friendly matches for the period 2018-2022, within the dates foreseen by the International Match Calendar;
3. SUPPORT, for this new sporting concept, the continuation of central marketing on a similar model as currently practised, for all National Team matches also for the period 2018-2022;
4. UNDERLINE the importance of cooperating closely with UEFA to overcome any potential legal, formal and practical issues that might arise, in particular regarding the sales of the centralised media rights in their respective country.
