No. 029 - 2002

## ***Draws at UEFA headquarters on Friday 22 March 2002***

### **Quarter and semi-finals draws of UEFA Champions League; UEFA Cup semi-finals**

The draw for the quarter-finals and for the semi-finals of the UEFA Champions League will take place at noon on Friday 22 March 2002 at the House of European Football in Nyon. For the quarter-finals, each of the four runners-up during the second group stage will be drawn against a group winner (but will not be drawn against the winner from the same group). In this draw, teams from the same national association can meet each other. For the semi-finals, no clubs will be seeded and the first team drawn will play its first match at home, against the second team drawn (for example, winners of tie 1 against winners of tie 4). The same procedure will apply for the second semi-final. A small draw (winners of semi-final 1 or winners of semi-final 2) will determine which club will be considered the home team at the final to be played on 15 May at Hampden Park in Glasgow.

The draw for the UEFA Cup semi-finals will follow at 12.30.

Accreditation badges for all media will be available as from 10.00 on the day of the draw at the media accreditation desk in UEFA's headquarters in Nyon. We kindly ask media representatives wishing to attend this event to fill in the enclosed accreditation form and send it back by fax to 0041 22 994 37 37 before 18 March.

A sound system will be installed for ENG crews but no extra facilities such as telephone or ISDN lines will be available inside the draw hall, except those for the pre-booked commentary positions as per the EBU offer (there are no special facilities for radio stations and/or websites). Due to interference problems, it is recommended for sound engineers not to use the following frequencies while in the House of European Football: 783.875 MHz, 786.125 MHz, 782.250 MHz, 782.875 MHz, 784.625 MHz, 785.250 MHz, 792.500 MHz, 794.875 MHz.

Radio broadcasts from the auditorium will not be allowed. Reporters can follow the draw on the screens outside the auditorium if they prefer to report live and, immediately after the draw, make one-to-one interviews with team representatives.

The media are kindly asked to use the car park opposite the House of European Football at the Colovray training centre. Moreover, media representatives are welcome to use the self-service part of UEFA's restaurant should they wish to have lunch there (at their own cost).

Kindly note that the use of mobile telephones is not allowed during the draws and that the House of European Football is a non-smoking building.

Both draws will be transmitted live on Eurosport and on uefa.com.
