UEFA events in Monaco – media accreditations

UEFA Champions League, UEFA Cup draws and UEFA Super Cup match

Media representatives wishing to attend any of the below events have until **Friday 13 August 2004 to apply for accreditation** directly to UEFA:

- ❖ Draw for the group stage of the 2004/2005 UEFA Champions League on Thursday 26 August 2004 at 16:00 hours at the Grimaldi Forum in Monaco
- ❖ Draw for the first round of the 2004/2005 UEFA Cup on Friday 27 August 2004 at 13:00 hours at the Grimaldi Forum in Monaco
- ❖ UEFA Super Cup match between FC Porto and Valencia CF at the Stade Louis II in Monaco on Friday 27 August 2004 kicking-off at 20:45

To cover these events, representatives of the Written Press, Photographers (including editors and technicians), Radio Stations and Websites, along with non-rights-holding TV stations, must apply directly to UEFA via the on-line accreditation system on uefa.com and the following link:

<http://www.uefa.com/uefa/MediaServices/Accreditation/index.htm>

Media who have never used the on-line accreditation system must first register in order to be able to request accreditation for the over-mentioned events via the same link.

Applications received after the deadline may not be dealt with. In case of cancellation due to unforeseen circumstances, please immediately advise UEFA Media Services by writing to accreditations@uefa.ch. Should you need to change or withdraw your accreditation request prior to 13.07.2004, please do so online. However, should you need to adapt or withdraw your request after the deadline, please contact us via accreditations@uefa.ch. No-shows will be taken into consideration for future UEFA events.

All applications will be answered as soon as possible after the deadline.

Radio reporters, wishing to cover the draws live, will have to do so from the media working area as there will not be any special facilities nor telephone lines installed inside the draw hall.

You have the possibility to order telephone and/or ISDN lines to be installed in the media working area. Please use the special form "Grimaldi Forum Monaco" attached to this media release and fax it to the Grimaldi Forum and to UEFA Media Services.

For the UEFA Super Cup, requests for telephone and/or ISDN lines must be made via Monaco Telecom using the attached form. The form needs to be faxed to Monaco Telecom and UEFA Media Services.

UEFA Super Cup TV rights-holders should forward their accreditation requests directly to T.E.A.M. Marketing AG as in the past.
