UEFA Champions League Final ticket sales

Tickets for Athens final go on sale on 05 February

UEFA announced that the tickets sales for the UEFA Champions League Final 2007, to be played at the Olympic "Spiros Louis" Stadium in Athens on 23 May at 20:45 CET (21:45 local time), have gone on sale today at 12:00 CET exclusively via Europe's football website uefa.com.

The general public will be able to apply for up to two tickets per applicant between 5 February 12:00 CET to 19 February 12:00 CET. Once the application period has finished, allocation will be decided by lottery and every valid application will enter the ballot, independently of the time of submission within the application period.

The net capacity of the Olympic Stadium for the UEFA Champions League Final 2007 will be 63,800. There are 9'000 tickets available for sale to fans worldwide, while more than 50% of the stadium capacity is reserved for the supporters of the two finalists; with each finalist club able to take up to 17,000 tickets and distribute these directly to its supporters.

The remaining tickets will be allocated to the European football family, comprising UEFA, the local organising committee, national associations, commercial partners and broadcasters.

There are three price categories for the general public:

| | |
|------------|------------|
| Category 1 | 200.00 EUR |
| Category 2 | 140.00 EUR |
| Category 3 | 80.00 EUR |

The following administration charges (including postal charges) will apply per ticket order:

| |
|---|
| 10.00 EUR – per ticket order within Greece |
| 20.00 EUR – per ticket order within Europe |
| 40.00 EUR – per ticket order outside Europe |

Payment can be done by credit card only, and applicants will be informed by e-mail as from 10 March 2007 if they have been successful in the lottery. Tickets will be dispatched as from the beginning of May 2007 by secure express courier.

Any information requests should be addressed to the local organising committee:

- by email: uefachampionsleaguefinal@tickethour.com
- by phone : +30 210 81 08 007
- by fax: +30 210 96 70 642

All applicants are bound by the ticketing terms and conditions. Action will be taken in cases of infringement. Online applications will be checked to ensure that anyone banned from attending football matches is unsuccessful in any attempt to purchase tickets. UEFA underlines that no tickets are being distributed via agencies or brokers. UEFA also encourages fans not to be lured into deals with touts who not only demand exorbitant prices but are often not in possession of the tickets they purport to have for sale. Terms and Conditions are available on uefa.com.
