## Competition information

---

UEFA's most prestigious club competition was originally created as the European Champion Clubs' Cup for the 1955/56 season, before its revamping as the UEFA Champions League in 1992.

• **Format:** At the UEFA Champions League group stage draw in Monaco on 27 August the 32 teams were divided into eight groups of four. Clubs from the same association could not be drawn into the same group. Each club plays one home and one away match against each other club in its group. Three points are awarded for a win, one point for a draw and no points for a defeat. If two or more teams are equal on points on completion of the group matches, the following criteria are applied to determine the rankings.

- a) higher number of points obtained in the group matches played among the teams in question;
- b) superior goal difference from the group matches played among the teams in question;
- c) higher number of goals scored away from home in the group matches played among the teams in question;
- d) superior goal difference from all group matches played;
- e) higher number of goals scored;
- f) higher number of coefficient points accumulated by the club in question as well as its association, over the previous five seasons.

The eight group winners and eight runners-up of the group stage qualify for the first knockout round, to be played over two legs on 16/17/23/24 February and 9/10/16/17 March 2010. The clubs that finish this stage in third position in their group move into the round of 32 of the UEFA Europa League. The clubs that finish this stage in fourth position in their group are eliminated from UEFA club competition for the season. This year's UEFA Champions League final is in Madrid on 22 May 2010.

• **Disciplinary information:** As a rule, a player who is sent off is suspended for the next match in a UEFA club competition. The Control and Disciplinary Body is entitled to augment this punishment. In the case of repeated cautions, a player is suspended for one match after three cautions in three different matches, as well as following any subsequent odd-numbered caution (fifth, seventh, ninth, etc). Single yellow cards and pending suspensions are always carried forward either to the next stage of the competition or to another club competition in the current season.

• **Locally-trained players rule:** In February 2005, UEFA announced the 'A' list that teams submit for UEFA club competitions will continue to be limited to 25 players, and from season 2007/08, at least six places have been reserved for players trained by the club's own football academy of which half could be players trained by other clubs from within the same association of the said club. The 'B' list continues to exist – involving an unlimited number of Under-21 players who have been at the club for any uninterrupted period of two years since their 15th birthday. In 2006/07, the number of locally-trained players required began at four but rose to eight in 2008/09, with up to half of each figure allowed to be association trained. A club-trained player is defined as a player who has been registered for a minimum of three seasons with the club between the age of 15 and 21, whereas an association-trained player is one who has been registered for at least three seasons by the club or by other clubs affiliated to the same association between the age of 15 and 21.

• **Player registration:** UEFA regulations state that for all UEFA Champions League matches from the start of the first knockout round, a club may register a maximum of three new eligible players within their squad of 25 for the remaining matches in the current competition. One player from the above quota of three who has played UEFA club competition matches for another competing club in the current season may exceptionally be registered, provided that the player has not been fielded by another club in the UEFA Champions League this season.

• **Disclaimer:** Although UEFA has taken all reasonable care that the information contained within this document is accurate at the time of publication, no representation or guarantee (including liability towards third parties), expressed or implied, is made as to its accuracy, reliability or completeness. Therefore, UEFA assumes no liability for the use or interpretation of information contained herein. More information can be found in the competition regulations on [uefa.com](http://uefa.com).

## Competition record

### Competition records

#### • UEFA Champions League: Did you know?

**Domestic champions:** This season's competition features 18 domestic league winners from last season, with Group F featuring four titleholders (FC Barcelona, FC Internazionale Milano, FC Dynamo Kyiv, FC Rubin Kazan) and Groups B (Manchester United FC, Beşiktaş JK, VfL Wolfsburg) and H (AZ Alkmaar, Olympiacos FC, R. Standard de Liège) three each. Alongside the 18 champions, there are six runners-up and five third-placed finishers. Club Atlético de Madrid, Arsenal FC and ACF Fiorentina are the only clubs in the group stage to have finished in fourth place in their domestic league championship.

**Consecutive participations:** This season, Manchester United FC have extended their consecutive participation in the UEFA Champions League to 14, a record in the competition. Real Madrid CF are making their 13th successive appearance, one ahead of Arsenal FC.

**Knockout streak:** In qualifying for the 2006/07 knockout stage, Real Madrid CF surpassed Manchester United FC's record of nine consecutive seasons (which ended in 2005/06) in advancing past the group stage, a record the Spanish side stretched to 12 last season. Madrid have featured in the knockout phase every time since the 1996/97 campaign and have won the competition three times in the last eleven years while they advanced as far as the semi-finals twice and the quarter-finals twice. However, in the last five seasons their interest in the competition has ended at the first knockout round.

**European return:** Of all 32 clubs, only AZ, Rubin Kazan and Maccabi Haifa FC did not participate in a UEFA club competition during the 2008/09 season.

**Past masters:** Nine clubs competing in the 2009/10 UEFA Champions League were involved in the competition when it started during the 1992/93 season. Olympique de Marseille were champions, defeating AC Milan in the final, while FC Porto, Rangers FC and PFC CSKA Moskva all participated in the group stage. In addition Barcelona, APOEL FC, Beşiktaş and VfB Stuttgart were knocked out in the two rounds preceding the group stage that marked the competition proper.

**Long road for debutants:** Three clubs have advanced to the group stage from the UEFA Champions League second qualifying round: debutant pair APOEL and Debreceni VSC as well as Maccabi Haifa. FC Zürich, who are also making their first group-stage appearance, and Olympiacos progressed from the third qualifying round. The remaining five debutants, Wolfsburg, AZ, Rubin Kazan, Standard and AFC Unirea Urziceni, qualified automatically for the group stage. A debutant has not won the competition since Juventus in 1995/96, the Italian side becoming the third club to achieve this following Marseille (1992/93, first UEFA Champions League final) and AFC Ajax (1994/95).

Of the eight group-stage debutants, Wolfsburg, Unirea and Rubin Kazan had never played a match in the European Champion Clubs' Cup before this season.

**No qualifiers:** Of the 32 clubs involved in the group stage, FC Girondins de Bordeaux, AZ, Wolfsburg, Unirea and Rubin Kazan have yet to play a qualifying round match in order to reach the UEFA Champions League. Bordeaux are making their fourth appearance in the competition, with the other four clubs taking part for the first time.

**Pedigree:** Two of the former winners of the competition since it included a group stage element from the 1992/93 season are not participating in this season's UEFA Champions League, namely AFC Ajax (1994/95) and BV Borussia Dortmund (1996/97).

Only four winners of the last ten UEFA Cup finals – Liverpool FC (2001), Porto (2003), PFC CSKA Moskva (2005) and Sevilla FC (2006, 2007) – are involved in this season's UEFA Champions League group stage.
