Competition information

UEFA's most prestigious club competition was originally created as the European Champion Clubs' Cup for the 1955/56 season, before its revamping as the UEFA Champions League in 1992.

• **Format:** At the UEFA Champions League group stage draw in Monaco on 25 August the 32 teams were divided into eight groups of four. Clubs from the same association could not be drawn into the same group. Each club plays one home and one away match against each other club in its group. Three points are awarded for a win, one point for a draw and no points for a defeat. If two or more teams are equal on points on completion of the group matches, the following criteria are applied to determine the rankings.

- a) higher number of points obtained in the group matches played among the teams in question;
- b) superior goal difference from the group matches played among the teams in question;
- c) higher number of goals scored away from home in the group matches played among the teams in question;
- d) superior goal difference from all group matches played;
- e) higher number of goals scored;
- f) higher number of coefficient points accumulated by the club in question as well as its association, over the previous five seasons.

The eight group winners and eight runners-up of the group stage qualify for the round of 16, to be played over two legs on 14/15/21/22 February and 6/7/13/14 March 2012. The clubs that finish in third position in their group move into the round of 32 of the UEFA Europa League. The clubs that finish this stage in fourth position in their group are eliminated from UEFA club competition for the season. This year's UEFA Champions League final is in Munich on 19 May 2012.

• **Disciplinary information:** As a rule, a player who is sent off is suspended for the next match in a UEFA club competition. The Control and Disciplinary Body is entitled to augment this punishment. In the case of repeated cautions, a player is suspended for one match after three cautions in three different matches, as well as following any subsequent odd-numbered caution (fifth, seventh, ninth, etc). Single yellow cards and pending suspensions are always carried forward either to the next stage of the competition or to another club competition in the current season.

• **Locally-trained players rule:** In February 2005, UEFA announced the 'A' list that teams submit for UEFA club competitions will continue to be limited to 25 players, and since 2007/08, at least six places have been reserved for players trained by the club's own football academy of which half could be players trained by other clubs from within the same association of the said club. The 'B' list continues to exist – involving an unlimited number of Under-21 players who have been at the club for any uninterrupted period of two years since their 15th birthday. In 2006/07, the number of locally-trained players required began at four but rose to eight in 2008/09, with up to half of each figure allowed to be association trained. A club-trained player is defined as a player who has been registered for a minimum of three seasons with the club between the age of 15 and 21, whereas an association-trained player is one who has been registered for at least three seasons by the club or by other clubs affiliated to the same association between the age of 15 and 21.

• **Player registration:** UEFA regulations state that a player may not play in a UEFA club competition for more than one club in the course of the same season. However, a player who has been fielded in the first, second or third qualifying round of the UEFA Champions League is entitled to play for another club as from the group stage, provided that his former club did not qualify for the group stage of the UEFA Champions League. Moreover, as from the start of the round of 16, a club may register a maximum of three new eligible players. One player of those three who has played UEFA club competition matches for another competing club in the current season may exceptionally be registered, provided that the player has not been fielded in the same competition for another club or for another club that is currently in the same competition.

Competition records

Competition records

• UEFA Champions League: Did you know?

Domestic champions: This season's competition features 17 domestic league winners from last season, with Groups G (FC Porto, FC Shakhtar Donetsk, FC Zenit St Petersburg, APOEL FC) and H (FC Barcelona, AC Milan, FC BATE Borisov, FC Viktoria Plzeň) both featuring four title holders and Group C three (Manchester United FC, FC Basel 1893, FC Oțelul Galați). Alongside the 17 champions, there are eight runners-up and five third-placed finishers. Arsenal FC and Villarreal CF are the only clubs in the group stage to have finished in fourth place in their domestic league championship.

Consecutive participations: This season, Manchester United FC have extended their consecutive participation in the UEFA Champions League to 16, a record in the competition. Real Madrid CF are making their 15th successive appearance, one ahead of Arsenal FC.

Knockout streak: In qualifying for the 2006/07 knockout stage, Real Madrid CF surpassed Manchester United FC's record of nine consecutive seasons (which ended in 2005/06) in advancing past the group stage, a record the Spanish side stretched to 14 in 2010/11. Madrid have featured in the knockout phase every time since 1996/97, although their interest in the competition ended in the round of 16 for six consecutive seasons before they went on the semi-finals in 2010/11.

European return: Of all 32 clubs, only FC Oțelul Galați did not participate in UEFA club competition during 2010/11.

Past masters: Four clubs competing in the 2010/11 UEFA Champions League were involved in the competition when it started during the 1992/93 season. Olympique de Marseille were champions, defeating AC Milan in the final, while PFC CSKA Moskva and FC Porto. In addition FC Barcelona and APOEL FC were knocked out in the two rounds preceding the group stage that marked the competition proper.

Long road: Four clubs have advanced to the group stage from the UEFA Champions League second qualifying round: APOEL FC, FC BATE Borisov, GNK Dinamo Zagreb and FC Viktoria Plzeň, while SL Benfica and KRC Genk won through from the third qualifying round.

Debutants: Five teams are making their first group stage appearance: Manchester City FC, SSC Napoli, FC Viktoria Plzeň, FC Oțelul Galați and Trabzonspor AŞ. A debutant has not won the competition since Juventus in 1995/96, who became the third club to achieve this following Marseille (1992/93, first UEFA Champions League final) and AFC Ajax (1994/95).

Of the group stage debutants, Plzeň and Galați had never played a match in the European Champion Clubs' Cup before this season.

Pedigree: Two of the former winners of the competition since it included a group stage element from the 1992/93 season are not participating in this season's UEFA Champions League, namely Juventus (1995/96) and Liverpool FC (2004/05).

Six of the last nine winners of the UEFA Cup/UEFA Europa League finals – FC Porto (2003, 2011), Valencia CF (2004), PFC CSKA Moskva (2005), FC Zenit St Petersburg (2008) and FC Shakhtar Donetsk (2009) – are involved in this season's UEFA Champions League group stage.
