Competition information

UEFA's most prestigious club competition was originally created as the European Champion Clubs' Cup for the 1955/56 season, before its revamping as the UEFA Champions League in 1992.

• **Format:** At the UEFA Champions League group stage draw in Monaco on 30 August the 32 teams were divided into eight groups of four. Clubs from the same association could not be drawn into the same group. Each club plays one home and one away match against each other club in its group. Three points are awarded for a win, one point for a draw and no points for a defeat.

If two or more teams are equal on points on completion of the group matches, the following criteria are applied to determine the rankings (in descending order):

- a) higher number of points obtained in the group matches played among the teams in question;
- b) superior goal difference from the group matches played among the teams in question;
- c) higher number of goals scored in the group matches played among the teams in question;
- d) higher number of goals scored away from home in the group matches played among the teams in question;
- e) if, after having applied criteria a) to d), two teams still have an equal ranking, criteria a) to d) are reapplied exclusively to the matches between the two teams in question to determine their final rankings. If this procedure does not lead to a decision, criteria f) to h) apply;
- f) superior goal difference from all group matches played;
- g) higher number of goals scored from all group matches played;
- h) higher number of coefficient points accumulated by the club in question, as well as its association, over the previous five seasons

The eight group winners and eight runners-up of the group stage qualify for the round of 16, to be played over two legs on 12/13/19/20 February and 5/6/12/13 March 2013. The clubs that finish in third position in their group move into the round of 32 of the UEFA Europa League. The clubs that finish this stage in fourth position in their group are eliminated from UEFA club competition for the season. This year's UEFA Champions League final is in London on 25 May 2013.

• **Disciplinary information:** As a rule, a player who is sent off is suspended for the next match in a UEFA club competition. The Control and Disciplinary Body is entitled to augment this punishment. In the case of repeated cautions, a player is suspended for one match after three cautions in three different matches, as well as following any subsequent odd-numbered caution (fifth, seventh, ninth, etc). Single yellow cards and pending suspensions are always carried forward either to the next stage of the competition or to another club competition in the current season. Exceptionally, all yellow cards and pending yellow-card suspensions expire on completion of the play-offs. They are not carried forward to the group stage. Cautions and pending yellow-card suspensions from club competition matches expire at the end of the season.

• **RESPECT and jersey exchange:** During this season's UEFA Champions League and UEFA Europa League matches UEFA's RESPECT campaign is focusing on the jersey exchange between players. This ritual is believed to have begun in 1931 when France beat England for the first time. The French players were so ecstatic to have won they asked the English players if they could have their jerseys as keepsakes and the English obliged. Today swapping shirts is common practice in football, with players often pre-defining between themselves who they will exchange their jerseys with after the match. Through this simple act players show sportsmanship and acceptance for their opponents. UEFA has incorporated this gesture into its RESPECT campaign. By linking RESPECT with swapping shirts, we are hoping to make a connection with players and fans alike, encouraging all to swap jerseys as symbol of their RESPECT for diversity in football. It is differences in football that make the game so unique.

• **Locally-trained players rule:** In February 2005, UEFA announced the 'A' list that teams submit for UEFA club competitions will continue to be limited to 25 players, and since 2007/08, at least eight places have been reserved for players trained by the club's own football academy of which half could be players trained by other clubs from within the same association of the said club. The 'B' list continues to exist – involving an unlimited number of Under-21 players who have been at the club for any uninterrupted period of two years since their 15th birthday. In 2006/07 the number of locally-trained players required began at four but rose to eight in 2008/09, with up to half of each figure allowed to be association trained. A club-trained player is defined as a player who has been registered for a minimum of three seasons with the club between the age of 15 and 21, whereas an association-trained player is one who has been registered for at least three seasons by the club or by other clubs affiliated to the same association between the age of 15 and 21.

• **Player registration:** UEFA regulations state that a player may not play in a UEFA club competition for more than one club in the course of the same season. However, a player who has been fielded in the first, second or third qualifying round or the play-offs of the UEFA Champions League is entitled to play for another club as from the group stage, provided that his former club did not qualify for the group stage of the UEFA Champions League. Moreover, as from the start of the round of 16, a club may register a maximum of three new eligible players. One player of those three who has played UEFA club competition matches for another competing club in the current season may exceptionally be registered, provided that the player has not been fielded in the same competition for another club or for another club that is currently in the same competition.

Competition records

• UEFA Champions League: Did you know?

Domestic champions: This season's competition features 17 domestic league winners from last season, with Group D (Manchester City FC, Borussia Dortmund, AFC Ajax, Real Madrid CF) featuring four title holders and Group E three (Juventus, FC Shakhtar Donetsk, FC Nordsjælland). Alongside the 17 champions, there are eight runners-up and five third-placed finishers. Málaga CF are the only club in the group stage to have finished in fourth place in their domestic league; holders Chelsea FC were sixth in the 2011/12 English Premier League but qualify as defending champions.

Consecutive participations: This season, Manchester United FC have extended their consecutive participation in the UEFA Champions League to 17, a record in the competition. Real Madrid CF are making their 16th successive appearance, one ahead of Arsenal FC.

Knockout streak: In qualifying for the 2006/07 knockout stage, Real Madrid CF surpassed Manchester United FC's record of nine consecutive seasons (which ended in 2005/06) in advancing past the group stage, a record the Spanish side stretched to 15 in 2011/12. Madrid have featured in the knockout phase every time since 1996/97.

European return: Of the 32 clubs, four did not participate in UEFA club competition during 2011/12: Juventus, Galatasaray AŞ, Málaga CF and Montpellier Hérault SC.

Past masters: Three clubs in the 2012/13 UEFA Champions League group stage were involved when the competition started in 1992/93. AC Milan were runners-up while FC Porto finished third in the group stage. FC Barcelona were knocked out in the two rounds preceding the group stage that marked the competition proper.

Long road: Two clubs have advanced to the group stage from the UEFA Champions League second qualifying round: FC BATE Borisov and GNK Dinamo Zagreb, while RSC Anderlecht, Celtic FC, CFR 1907 Cluj and FC Dynamo Kyiv won through from the third qualifying round.

Debutants: Three teams are making their first group stage appearance: Montpellier Hérault SC, FC Nordsjælland and Málaga CF. A debutant has not won the competition since Juventus in 1995/96, who became the third club to achieve this following Olympique de Marseille (1992/93, first UEFA Champions League final) and AFC Ajax (1994/95). None of the group stage debutants had played a match in the European Cup before this season.

Pedigree: Three of the former winners of the competition since it included a group stage element from the 1992/93 season are not participating in this season's UEFA Champions League, namely Olympique de Marseille (1992/93), Liverpool FC (2004/05) and FC Internazionale Milano (2009/10).
